## Scholarship Program

### **The Program**

NSRAA Scholarship Fund was established to provide financial assistance for the higher education to eligible commercial salmon fishermen, their dependent children or other immediate family members and employees of NSRAA, their dependent children and immediate family members. Any qualified applicant who plans to attend college or a vocational-technical school in the upcoming school year is encouraged to apply for a scholarship.

The Board of Directors of NSRAA, which is a nonprofit corporation, has appointed a scholarship committee to manage the Scholarship Program. Awards are granted without regard to race, color, creed, religion, sex, disability or national origin.

### **Eligibility**

Applicants for a NSRAA scholarship must either hold a current State of Alaska Southeast Salmon Limited Entry Permit and have paid salmon enhancement tax in Northern Southeast Alaska, in the year prior to the application or must be the dependent child or immediate family member of an eligible salmon fisherman. Employees of NSRAA, their dependent children and immediate family members are also eligible to apply.

### **Scholarship Awards**

Awards of \$2500 are granted, with two scholarships awarded each year. Only one scholarship per applicant per year will be awarded.

### **Application**

Interested students must complete the attached application and mail it along with a current transcript of grades and the required essay to the Foundation, due no later than April 15.

Applicants are responsible for gathering and submitting all necessary information. Applicants are evaluated on the information supplied; therefore, it is important to answer all questions as completely as possible. All information received is considered confidential and is reviewed only by an evaluation committee appointed by the NSRAA scholarship committee.

### **Selection of Recipients**

Scholarship recipients are selected on the basis of their scholastic achievement, demonstrated aptitude in their chosen area of educational pursuit, and demonstrated potential to succeed in post-secondary education, leadership potential, activities and community service.

The scholarship evaluation committee will evaluate essays and all other information submitted. The scholarship evaluation committee will forward their recommendations to the NSRAA Scholarship Committee.

Notice of scholarship awards will be made on or about May 15.

### **Payments of Scholarships**

The Northern Southeast Regional Aquaculture Association (NSRAA) will pay scholarship awards on or before August 1. Payment will be made directly to the recipient's school. If special circumstances are shown, payment may be made to the recipient. In such circumstances, checks will be mailed to the recipients' home address and will be made payable jointly to the recipient and the school and must be endorsed by both.

### **Obligations**

Scholarship recipients have no obligation to NSRAA except that they are required to supply NSRAA with current transcripts and to notify NSRAA of any changes of address, school enrollment or other relevant information. Except as described, no obligation is assumed by NSRAA.

Each recipient must complete one term of study. In the event that the recipient does not complete one term or is otherwise entitled to a refund of tuition, any scholarship funds not used towards tuition must be repaid to NSRAA.
