- /1 Average weight of fish over-wintered in sea water
- /2 Average weight of fish over-wintered in fresh water
- /3 Eyed eggs transported
- /4 Incomplete returns
- /5 Excluding LPW Unuk stock
- /6 An estimated 69,000 fish were accidentally released on 3/23/95 @ 14g.
Average weight of fresh water group excluding this accidental release was 23.7g.
- /7 Chickamin stock eggs to Whitman Lake Hatchery
- /8 All fish over-wintered in sea water. Average weights of small, medium and large release groups are show.
- /9 All fish over-wintered in sea water. Average weights of small, medium and large release groups reared at Medvejie during the summer are shown in the first line. Avg. weights of release groups reared at Green Lake during the summer are shown in the second line.
- /10 Zero-check release
- /11 A bear tore holes in net pens, releasing an estimated 527,680 pre-smolt in late October, 2002. These are counted as mortality; thus the low hatchery survival. Survival would be about 71% without this loss.
- /12 Chickamin River stock
- /13 Unuk River stock - none were released
- /14 Zero-check release @ Deep Inlet
- /15 Halibut Point release site (FW overwinter at Medvejie)
- /16 Line 1 Green lake rearing (SW overwinter Bear Cove), line 2 Medvejie raceway rearing (SW overwinter at Bear Cove), Line 3 Medvejie raceway rearing (FW overwinter at Medvejie)
- /17 Zero-check release @ Crawfish Inlet
- /18 Yearling release @ Crawfish Inlet
- /19 Yearling release @ Crescent Bay
- /20 Bear Cove zeros included traditional spring releases (4.7g) and an experimental fall release (69.5g).

Table A3b. Chinook release totals by stock origin for yearling and zero check releases releases for the Medvejie Creek Hatchery, BY 1982-2024

Groups:

MED = reared in hatchery raceways, overwinter FW or SW

GL = reared in Green Lake, overwinter SW, release at Bear Cove

HPM = reared in hatchery raceways, overwinter FW, release at Halibut Point

CI = reared in hatchery raceways, overwinter FW, release at Crawfish Inlet

Stock Group ANDREW CR

Smolt Yearling
