Sitka, Alaska 99835
Office: (907) 623-8228
Email: emily_pearce@nsraa.org

POSITION ANNOUNCEMENT
NORTHERN SOUTHEAST REGIONAL AQUACULTURE ASSOCIATION
HIDDEN FALLS HATCHERY

Title: Hatchery Technician
Location: Hidden Falls Hatchery (REMOTE, near Sitka, SE Alaska)
Dates: through November, 2021
Starting Wage: \$14.00 to \$16.00 per hour DOE, plus housing
Closing Date: Until Filled

Duties: Assist full-time staff with routine hatchery duties, including rearing of fry and smolt, broodstock collection, egg-takes, and general site/facility maintenance. Willingness to work/live at hatchery satellite (offsite) rearing projects **will also be required**. Successful candidates will provide for transportation to and from Sitka or Juneau, Alaska, at the beginning and end of the hiring period. Communal housing in a “bunkhouse” setting at the hatchery, and transportation between Sitka and Hidden Falls will be provided for all employees.

Qualifications: Education and/or experience in fisheries biology, aquaculture, wildlife management, or animal husbandry is preferred, **a positive attitude and flexibility in the face of potentially adverse living/working conditions is required**. Additionally, sound physical fitness is necessary due to the physical nature of hatchery work (i.e., ability to carry 50 pounds for distances up to 100 yards). Candidates must be able to live at a **remote** facility with modern conveniences and interact positively with co-workers. Successful candidates will not be permitted to bring pets on site.

Additional Information: Hidden Falls Hatchery is operated by Northern Southeast Regional Aquaculture Association (NSRAA), a private non-profit regional aquaculture association. NSRAA provides increased fishing opportunities for the common property commercial salmon fisheries of Northern Southeast Alaska. Hidden Falls Hatchery produces one of the largest chum and coho salmon returns in North America, along with a substantial Chinook return, making this salmon hatchery one of the most economically important fishery enhancement programs in Southeast Alaska. Located in the heart of the Tongass National Forest, with access by **boat and floatplane only (no roads or access to any town)**, opportunities for outdoor recreation is exceptional.

Interested individuals must send the following information by, e-mail, postal mail or fax: (1) a detailed resume describing pertinent work experience and/or education; (2) the names and contact information (e-mail is ideal) for three references familiar with the applicant’s work experience/performance (3) applicants must also complete an official NSRAA application for employment. NSRAA’s official application may be found at NSRAA’s Web-site: <http://www.nsraa.org/>. All inquiries and materials should be directed to:
